Last Updated: March 15, 2025 - This version applies to all users as of this date.

ARMHEX Automotive Electronics LLC

Terms and Conditions, Special Terms and Conditions – Version 10.0

www.airbagresetonline.com

Welcome to ARMHEX. These Terms and Conditions ("Terms" or “Terms of Service”) govern your use of ARMHEX's services, products, software, platforms, online solutions, automated solutions, and digital files. The customers must read, understand, and accept these Terms before using any ARMHEX offerings, products, or services.

By accessing or using this website, or any service or product advertised on this website or any platform related to the ARMHEX, you acknowledge that you have read, understood, and agreed to be bound by these Terms. If you **do not agree, you must discontinue use and leave the site immediately.**

1. Relationship Between the User and ARMHEX, Its Affiliates, and Partners

1.1 Agreement Overview

This Agreement governs terms and conditions between you on your own behalf, and (if applicable) on behalf of your entity or organization (“Client”) and ARMHEX. You should review this entire Agreement as it creates a legal contract that applies once accepted. These terms shall be governed by the laws of ARMHEX, USA.

By accessing and utilizing ARMHEX’s products, software, services, files, and websites (collectively referred to as the “Services” in this document, except where specific agreements apply), and/or accepting these terms, you agree to be bound by this Agreement and confirm you have the authority to bind your entity. Hence, the user enters into a legal agreement with ARMHEX.

“ARMHEX” refers to “ARMHEX Automotive Electronics LLC”, a limited liability company registered in the United States, with the following website: www.airbagresetonline.com along with its subsidiaries, subdomains, emails, affiliates, and partners. This document establishes and outlines the terms governing this legal relationship.

1.2 Universal Terms

Unless otherwise explicitly agreed upon in a separate written agreement with ARMHEX, the terms outlined in this document shall govern the user’s relationship with ARMHEX. These terms are referred to as the “Universal Terms.”

1.3 Additional Terms

Certain Services may also be subject to additional legal notices and terms issued by ARMHEX periodically. These additional terms, along with the Universal Terms, collectively form the "Additional Terms." Whenever Additional Terms apply to a specific Service, they will be made available to the user either within the Service itself, through relevant means of access, or on this page.

1.4 Binding Legal Agreement

The Universal Terms, combined with any applicable Additional Terms, constitute a legally binding contract between the user and ARMHEX regarding the use of the Services. It is the user's responsibility to carefully review these terms. This entire agreement will be referred to as the "Terms."

1.5 Conflict Between Terms

In the event of any inconsistency between the Additional Terms and the Universal Terms, the Additional Terms will take precedence concerning the specific Service they apply to.

2. Acceptance of Terms

2.1 Agreement to the Terms

Before using the Services, the user must accept these Terms. Accessing or using the Services is not permitted unless the user agrees to abide by them.

2.2 Methods of Acceptance

The user may indicate acceptance of these Terms in one of the following ways:

(a) By clicking a button or selecting an option confirming agreement or acceptance to the Terms when prompted within the user interface of any Service, registration, and payment.

(b) By utilizing the Services, in which case the user acknowledges and agrees that such use will be considered an acceptance of the Terms from that point forward.

2.3 Restrictions on Use

A user is not permitted to access or use the Services if:

(a) They are not of legal age to enter into a binding contract with ARMHEX, or

(b) They are legally restricted from receiving or using the ARMHEX Services under the laws of their country of residence or the country from which they are accessing the Services.

(c) The ARMHEX services, software, files, tools, or their usage is directly or indirectly illegal in their country.

2.4 Retention of Terms

Users are encouraged to save or print a copy of these Universal Terms for future reference.

3. Language of the Agreement

3.1 English as the Governing Language

If ARMHEX provides a translated version of these Terms for the user's convenience, the user acknowledges that the English version will prevail in governing the relationship with ARMHEX.

3.2 Conflicts Between Translations

In case of any inconsistency between the English version and a translated version, the English version shall take precedence.

4. Service Provision by ARMHEX, Its Affiliates, and Partners

4.1 Service Providers

ARMHEX operates through subsidiaries and affiliated entities worldwide (collectively referred to as “Subsidiaries and Affiliates”). These entities may provide Services on behalf of ARMHEX, and the user agrees that such entities are authorized to do so.

4.2 Service Modifications

ARMHEX continually seeks to enhance its Services. As a result, the user acknowledges and agrees that the form and functionality of the Services may be modified from time to time without prior notice.

4.3 Service Suspension or Termination

ARMHEX reserves the right to suspend, discontinue, or permanently terminate any Service (or certain features of the Services) at its sole discretion, with prior notice of at least 24 hours

provided via email, or immediately in the case of terms violation. The user may also stop using the Services at any time without notifying ARMHEX.

4.4 Account Access Restrictions

If ARMHEX disables a user's access due to critical circumstances, such as insolvency or improper use of the Services, the user may be restricted from accessing their account, including any associated files, content, or stored data.

4.5 Usage Limits

Users who have bought an "Unlimited", "VIP", or "Unlimited Reset/Processes/ Services" plan or package may process a maximum of 2 requests within 24 hours. Additional processes may need written permission from ARMHEX. These plans are designed for FAIR usage. Excessive or improper use may result in temporary or permanent suspension without any refund.

4.6 Software Activation

ARMHEX's hardware and software products are sold separately. Purchasing ARMHEX hardware does not automatically include software access. To activate the software, users must send an activation request via email upon receiving their purchased product. ARMHEX will then provide a download link via email for software installation.

4.7 Reset Points / Credits

ARMHEX may operate a virtual currency system for purchasing services, software, subscriptions, products, and files. The following apply:

(a)Points are non-transferable and expire at the end of the subscription period or based on package features.

(b)Points cannot be exchanged, transferred to another account, or website, or converted for cash or other credits.

(c)No refunds or compensation for unused points.

(d)ARMHEX reserves the right to change point values and terms at any time.

(e)It is the customer's responsibility to calculate the price of each point when he buys a package, plan, or service.

4.8 Subscription Fees

Users may required to pay an annual subscription fee for continued access to ARMHEX Services that are sold in a subscription-based form. This fee becomes due one year after the

activation of the tool, package, plan, or service and varies based on the specific tool, package, plan, or service model. Subscription pricing is published on the ARMHEX website.

Failure to renew the subscription will result in limited functionality of the account, and restrict the Limited Lifetime Warranty on the tool to 24 months from the original activation date. If the subscription is renewed after expiration, the renewed period will be backdated to cover the lapsed time, aligning the subscription with its expected expiration had it been renewed on time.

5. Use of the Services

5.1 Provision of Information

To access certain Services, the user may be required to provide details about a vehicle, DTCs, values, or ECU model (such as identification or other relevant information) during the registration process or as part of continued use. The user agrees to ensure that all information provided to ARMHEX is accurate, complete, and up to date at all times.

5.2 Compliance with Laws and Regulations

The user agrees to use the Services solely for purposes that comply with (a) these Terms and (b) all applicable country laws, state laws, regulations, DMV laws, weather pollution control regulations, safety regulations, and generally accepted practices in the relevant jurisdictions, including vehicle and public road laws, or any law that exists about passenger vehicles, automotive, trucks, motorcycles, and drivers safety for all kinds of fuel (Gas, Diesel, Electric, Hybrid, Hydrogen, etc.)

5.3 Authorized Access

The user agrees not to access or attempt to access any Services through any means other than the official interface provided by ARMHEX unless explicitly permitted through a separate written agreement. Unauthorized access, including the use of automated systems such as scripts or web crawlers, is strictly prohibited. The user also agrees not to share access to the Services with third parties.

5.4 Interference with Services

The user agrees not to engage in any activities that interfere with or disrupt the Services, servers, or networks connected to the Services.

5.5 Prohibited Commercial Use

Unless explicitly permitted by a separate written agreement with ARMHEX, the user agrees not to reproduce, duplicate, copy, sell, trade, or resell the Services or their results for any purpose.

5.6 Responsibility for Compliance

The user is solely responsible for ensuring compliance with these Terms and acknowledges that ARMHEX bears no responsibility for any violations. The user further agrees to be liable for any damages or losses that ARMHEX may suffer as a result of such breaches.

5.7 ECU Repairs and Service Requirements

If the Services require the user to send an ECU to the ARMHEX Office for repairs or servicing, the following conditions apply:

5.7.1 Shipping Policy

You are solely responsible for shipping all items to us at your own cost and risk. ARMHEX assumes no liability for undeliverable, lost, stolen, or damaged packages during transit. It is your responsibility to purchase appropriate shipping insurance to protect your shipment.

Non-Refundable Shipping Costs:

All shipping expenses, including those incurred when sending items to ARMHEX, are non-refundable under any circumstances. If a refund is approved, it will only cover the cost of the service provided by ARMHEX; shipping costs will not be reimbursed.

Return Shipping & Insurance:

ARMHEX ships all items back without insurance by default. If you require insurance on your return shipment, you must submit a written request before the item is shipped. ARMHEX is not responsible for any undelivered, lost, stolen, or damaged items once they have left our facility.

5.7.2 Repair Policy

All repairs are performed by highly trained and ASE-certified technicians who adhere to strict industry standards and regulations. While we strive for excellence, human errors may occur. In such cases, our 100% guarantee is limited solely to a full refund of the service fee paid to ARMHEX for that service.

Limitation of Liability:

The maximum liability for any repair service is strictly limited to the total amount paid for the service. By using our services, you waive any right to pursue legal action, financial claims, personal demands, or any form of compensation beyond the amount you have paid.

ARMHEX is not responsible for any costs associated with third-party services, including but not limited to shipping, mechanical work, diagnostics, or installation services. Furthermore, ARMHEX shall not be held liable for any circumstances that may result in personal injury, additional expenses, property damage, or death.

By purchasing and using our SRS airbag module reset and repair services, you, as the customer, assume full responsibility for the removal, installation, and use of any repaired or reprogrammed components.

Proper maintenance, diagnostics, and repair procedures are essential to ensuring the safe and reliable operation of any vehicle. These responsibilities lie solely with the customer, vehicle owner, or service technician and are not the responsibility of ARMHEX. When performing any vehicle repairs, it is imperative to follow all standard safety protocols, including the use of proper tools, equipment, and certified professionals.

Failure to adhere to these precautions may result in serious consequences. If you do not accept these terms, do not proceed with this service.

Lost or Missing Items:

ARMHEX is not responsible for any missing components or any other accessories originally included in your shipment.

5.7.3 Liability & Safety Disclaimer

The proper service, repair, checks, confirmation, and installation of motor vehicle components are critical to ensuring both vehicle reliability and personal safety. ARMHEX bears **no responsibility** for the safety, accuracy, or outcome of any repairs, modifications, or installations performed by ARMHEX, the customer, or any third party.

Legal Use Only

All ARMHEX services listed on the ARMHEX websites (Airbag module reset services, Mileage correction, Immo off, etc.) are provided strictly for legal and professional use. Customers are responsible for ensuring compliance with all applicable local, state, and federal

laws before using our services. We do not condone or support any misuse of services (like airbag reset, repair, mileage correction, Immo off, etc.) for fraudulent purposes, such as concealing accident history or misrepresenting vehicle safety status.

No Safety Guarantee

While we provide a service, we do not guarantee the functionality, safety, or compliance of any reset or repair (like airbag system) after resetting or repairing. All the systems (like the airbag system) must be properly inspected and tested by a certified professional before use. We are not responsible for any failures, malfunctions, or injuries caused by a reset/repaired module.

Professional Installation Required

All reset modules, repaired modules must be installed and tested by a licensed automotive technician or authorized repair facility. We assume no responsibility for improper installation, incomplete repairs, or vehicle safety issues resulting from misuse.

No Liability for Misuse

We are not responsible for any damage, legal consequences, or financial losses resulting from improper use of our services. Customers agree to indemnify and hold us harmless against any claims, lawsuits, or liabilities arising from their use of any of ARMHEX services (like reset airbag modules).

No Warranty

All reset and repair services are provided as is, without warranty of any kind. We do not guarantee that a reset module will function correctly in all cases.

Assumption of Risk

By purchasing our service, you acknowledge that you assume all risks associated with using our services or files including a reset or repaired module. You agree that we are not responsible for any vehicle malfunctions, injuries, accidents, or legal consequences arising from the use of our services.

Agreement to Terms

By using our website and purchasing our services, you agree to these Terms & Conditions. If you do not agree, you must not use our services.

Safety Precautions:

To minimize the risk of personal injury, vehicle damage, or fatal accidents, customers are strongly advised to follow all industry-standard safety procedures, including but not limited to:

- ✓ Wearing protective gear (e.g., safety goggles, gloves).
- ✓ Using proper tools and equipment as required.
- ✓ Strictly adhering to product instructions and manufacturer guidelines.

Limitation of Liability:

ARMHEX is not liable for any costs, damages, or risks including but not limited to accidents, injuries, deaths, financial losses, vehicle damage, or legal claims arising from shipping, installation, improper handling, diagnostics, mechanical work, file selling, dump selling, software selling, flash selling, file/flash/dump/software/program processing, modifying, changing, updating, upgrading, downloading, uploading, or repair of components related to any ECU (Electronic Control Units) in the vehicle, motorcycle, automotive, truck, marines, agriculture machines, building machines, and Supplemental Restraint System (SRS) or related components.

By using ARMHEX services or products, you assume all risks and agree that ARMHEX shall not be held responsible for any direct, indirect, or consequential damages.

(a) Shipping Liability

The user assumes full responsibility for shipping costs and risks. It is recommended that the user insures the package, as ARMHEX is not liable for any loss or damage incurred during transit.

(b) Inspection and Service Guarantee

All received items will undergo inspection by ARMHEX's technicians. Repairs and services are conducted by highly trained professionals and are backed by a 100% satisfaction guarantee. ARMHEX covers the cost of returning the serviced ECU or replacing a tool under warranty. By utilizing these Services, the user agrees not to pursue any legal claims exceeding the amount paid for the service.

(c) User Responsibilities

ARMHEX is not responsible for the removal, installation, or diagnosis of the car, or use of any repaired or re-manufactured item. The user is strongly advised to follow proper safety procedures when handling motor vehicles and electrical equipment.

6. Account Security

6.1 Confidentiality of Credentials

The user agrees to maintain the confidentiality of their account password and to take full responsibility for its security.

6.2 Account Responsibility

All activities conducted through the user's registered account are their sole responsibility, and ARMHEX bears no liability for unauthorized use.

6.3 Reporting Unauthorized Access

If the user becomes aware of any unauthorized access to their account, they must notify ARMHEX immediately through emails mentioned on the ARMHEX website, www.airbagresetonline.com. In cases of theft or loss, the user must also submit a piece of evidence of proof and may be eligible to repurchase the product at the cost of the hardware alone.

7. Privacy and Personal Information

7.1 Data Protection Policy

For details on how ARMHEX handles user data, please refer to the Privacy Policy at https://www.airbagresetonline.com/privacy-policy/. If these links are not accessible, the user must find and read these policies on the website home page or links.

7.2 User Consent

By using the Services, the user agrees to the collection, processing, and storage of their personal data as outlined in the Privacy Policy.

8. Content in the Services

8.1 Intellectual Property Protections

All content presented within the Services is protected by intellectual property laws. The user may not modify, rent, lease, loan, sell, distribute, or create derivative works based on this content unless explicitly authorized by ARMHEX or the content owner through a separate written agreement.

8.2 Content Moderation Rights

ARMHEX reserves the right but is not obligated, to pre-screen, review, filter, modify, refuse, or remove any content from its Services.

8.3 User Assumption of Risk

The user understands that the use of ARMHEX Services is at their own risk and acknowledges full responsibility for any content they create, use, or share while using the Services.

8.4 Liability for Content-Related Actions

The user agrees that ARMHEX is not liable for any content-related actions taken by the user, including any damages or losses resulting from such actions.

9. Proprietary Rights

9.1 Ownership of Services

The user acknowledges that ARMHEX (or its licensors) retains all legal rights, titles, and interests in the Services, including intellectual property rights, whether registered or unregistered, worldwide. The user further agrees not to disclose any confidential information contained within the Services without prior written consent from ARMHEX.

9.2 Restrictions on Use of Brand Elements

Unless otherwise agreed in writing, these Terms do not grant the user the right to use any ARMHEX trademarks, trade names, service marks, logos, domain names, or other brand elements.

9.3 Third-Party Intellectual Property

The user has no rights to use trademarks, copyrights, or other intellectual property belonging to third parties without explicit authorization. If granted permission to use any brand features, the user agrees to comply with all applicable terms and ARMHEX's branding guidelines.

9.4 User Content Rights

ARMHEX does not claim ownership over content submitted/uploaded by the user through the Services. The user remains responsible for protecting their intellectual property rights and acknowledges that ARMHEX is not obligated to enforce those rights on their behalf.

9.5 Client Data

Clients retain ownership of their data but grant ARMHEX the rights necessary to perform Services. ARMHEX does not claim ownership of Client Data.

9.6 Protection of Proprietary Notices

The user agrees not to remove, obscure, or alter any copyright, trademark, or proprietary notices within the Services.

9.7 Prohibited Use of Third-Party Marks, Data, Content, Program

Unless expressly authorized in writing, the user may not use any trademark, service mark, trade name, logo, data, content, or program belonging to any company or organization in a manner likely to cause confusion regarding ownership or authorization.

10. License from ARMHEX and Its Affiliates

10.1 ARMHEX grants users a personal, worldwide, non-transferable, and non-exclusive license to use its platform, online service, offline service, and automatic service as part of the Services. This license is solely for enabling users to utilize the Services as permitted by the Terms.

10.2 Users may not copy, modify, create derivative works, reverse engineer, decompile, or attempt to extract the web application, or Software's source code unless expressly permitted by law or with written permission from ARMHEX.

10.3 Without ARMHEX's explicit written consent, users may not assign, sublicense, or transfer their rights to use the Software, accounts, courses, or contents that belong to or bought from ARMHEX.

11. User Content License

11.1 Users retain ownership of the content they submit/upload through the Services. By submitting content, users grant ARMHEX a perpetual, irrevocable, worldwide, royalty-free, non-exclusive license to use, reproduce, adapt, modify, translate, publish, and distribute the content to operate and promote the Services. Specific Services may have additional terms regarding content usage.

11.2 ARMHEX may transmit and adapt user content as necessary for compatibility across networks, devices, and media.

11.3 Users confirm they have the necessary rights and authority to grant this license.

12. Software and Online Platform Updates

12.1 The Software or online platform or service may automatically be updated to improve functionality and services. Users agree to receive these updates as part of their continued use of the Services.

13. Termination of Services

13.1 The Terms remain in effect until terminated by either the user or ARMHEX.

13.2 Users may terminate their agreement by notifying ARMHEX in writing and closing their accounts where applicable.

13.3 ARMHEX may terminate its agreement with a user if:

(a) The user breaches the Terms.

(b) Required by law.

(c) A partner ceases to offer the Services.

(d) ARMHEX discontinues Services in a specific region.

(e) Providing the Services is no longer commercially viable.

13.4 Termination does not affect any accrued legal rights or obligations.

14. Refund Policy

14. 1 Services, File processing, Software

Refunds are only issued in Points, regardless of the original payment method. To request a refund, users must provide verifiable proof that the service did not perform as expected, including:

(a) Logs, screenshots, photos, videos, or documentation showing service failure.

(b) Comparison with a similar service from another provider.

(c) Some services like Pops-Bangs refunds require vehicle data logs and dynamometer test results (if applicable).

(d) Refund requests must be submitted within 30 days of purchase.

Incomplete or insufficient documentation may result in the denial of a refund.

15. Disclaimer of Warranties

Services are provided "AS IS" without warranties of any kind. ARMHEX is not liable for:

15.1 Business interruptions, data loss, or financial damages.

15.2 Loss of profits due to service failures.

15.3 Any indirect, special, or incidental damage arising from service use.

15.4 Some jurisdictions do not allow certain liability limitations. ARMHEX's liability is limited to the maximum extent permitted by law.

15.5 Services are provided "as is" and "as available." ARMHEX does not guarantee that:

(a) Services meet user expectations.

(b) Services are uninterrupted or error-free.

(c) Information obtained is accurate or reliable.

(d) Defects will be corrected.

15.6 Users download materials at their own risk.

15.7 No advice from ARMHEX creates warranties beyond those explicitly stated in these Terms.

15.8 ARMHEX disclaims all implied warranties, including merchantability and fitness for a particular purpose.

16. Limitation of Liability

16.1 ARMHEX, its affiliates, and licensors are not liable for:

(a) Direct, indirect, incidental, or consequential damages of using the services, including lost profits, finance, health, reputation, or data.
(b) Losses due to reliance on advertising, service changes, data deletion, or account security breaches.

16.2 These limitations apply even if ARMHEX was advised of potential damages.

16.3 If ARMHEX is found liable, damages will be limited to the fees paid for the Services.

17. Copyright and Trademark Policies

17.1 ARMHEX responds to copyright infringement claims and terminates repeat offenders' accounts in compliance with intellectual property laws.

18. Advertisements, Comments, Feedback

18.1 Some Services are ad-supported and may display targeted advertisements.

18.2 ARMHEX reserves the right to modify the nature and extent of advertisements.

18.3 Clients may submit feedback, and comments which become the property of ARMHEX. By providing feedback, Clients agree that:

(a)ARMHEX may use and disclose feedback without obligation.

(b)No compensation is provided for feedback.

19. External Content

19.1 Services may include links to third-party content. ARMHEX does not control or endorse external content.

19.2 ARMHEX is not responsible for the availability or accuracy of external sites and does not guarantee their functionality.

19.3 ARMHEX is not liable for losses resulting from reliance on external content.

20. Changes to Terms

20.1 ARMHEX may update the Terms periodically. New terms will be made available through the Services or on the ARMHEX website, www.airbagresetonline.com

20.2 Continued use of Services after updates constitutes acceptance of the revised Terms.

21. General Legal Terms

21.1 Use of third-party services, software, or goods may be subject to separate terms with those providers.

21.2 These Terms constitute the entire agreement between users and ARMHEX, replacing any prior agreements.

21.3 ARMHEX may provide notices via email, mail, WhatsApp, Telegram, Instagram, Social Media, tickets, or postings on the Services.

21.4 Failure to enforce any right under these Terms does not waive ARMHEX's ability to enforce it later.

21.5 If any provision is deemed invalid, the remaining Terms will still apply.

21.6 ARMHEX's affiliated companies may enforce provisions benefiting them.

21.7 These Terms are governed by U.S. law. ARMHEX may seek urgent legal relief in any jurisdiction.

22. Online Courses and Digital Contents

Terms of Service and Warranty for Digital Content and Online Courses

22.1. Agreement to Terms

Before purchasing, downloading, watching, or activating any digital content, online courses, or software provided by ARMHEX, the user must review and agree to these Terms of Service. The customer must read carefully and be aware of the agenda, table of contents of the course, and sections included in the course from the page where the course is advertised.

It is the customer's responsibility to watch the previews of the course on the ARMHEX YouTube channel and make sure about the quality of the course, the expenses of the tools,

whether the product is proper or useful for him/her, and whether he/she can learn it or not. By proceeding with any purchase, access, or download the customer acknowledges and accepts these terms as a binding legal agreement between the customer and ARMHEX.

22.2. Warranty Policy

ARMHEX provides a 30-day limited warranty for digital content and online courses under the following conditions:

(a)The warranty applies only if the advertised **titles (Headlines)** of the course or lecture are not included in the purchased content.

(b)To claim a warranty, the customer must provide clear evidence that the advertised course or lecture title is missing from the purchased material.

(c)No other conditions, or reasons including technical issues, personal dissatisfaction, outdated information, or missing the latest methods or cars, techniques, solutions, diagnostic tools used in the course, or the platform that they watch the course, qualify for a refund or warranty claim.

22.3. No Refund and No Chargeback Policy

Once the digital content, course, or software has been activated, downloaded, or watched, the customer forfeits any right to claim a refund, chargeback, or other legal action via payment processors or banks.

Any issues related to unclear content, audio/video quality, volume of information, technical support, or information updates, technical issues, personal dissatisfaction, outdated information, missing the latest methods, techniques, solutions, cars that are covered in the course, diagnostic tools used in the course, the platform that they watch the course are not valid reasons for requesting a refund.

The warranty conditions are only valid when the advertised titles are not included in the course.

Customers agree that ARMHEX is not responsible for regularly updating the content. Updates, if any, will be at the sole discretion of ARMHEX.

22.4. Content Usage Restrictions

Customers must sign an agreement acknowledging these terms before purchasing or accessing any digital content. The customer is prohibited from taking screenshots, copying, sharing, or distributing course content without prior written permission from ARMHEX. Remote sharing, unauthorized reproduction, or redistribution of the content is strictly forbidden and can result in litigation and permanent account block without any refund.

22.5. Technical Support Requests

Tools recommendations or specific technical support must be requested via email. ARMHEX only recommends the tools, and we are not responsible for the quality or correctness of the tools manufactured by third parties.

Technical support is only available during business hours. The customer may need to wait up to 24 hours to get technical support.

ARMHEX does not guarantee that all the requests will be answered completely. Although we try our best to solve technical problems, ARMHEX is not responsible for providing continuous technical assistance beyond initial guidelines.

22.6. No Liability for Course Accuracy or Completeness

ARMHEX does not guarantee the completeness, accuracy, or up-to-date nature of the information on the courses.

The company is not responsible for any damage, including but not limited to financial losses, health issues, bodily injuries, property damage, business losses, reputation damage, or lawsuits resulting from the use of digital content or online courses.

22.7. Informational Nature of Certificates

Certificates issued by ARMHEX are only for informational purposes and hold no legal value. Customers are responsible for obtaining official certifications from their respective national or state authorities. By purchasing and accessing ARMHEX's digital content, online courses, or software, you acknowledge that you have read, understood, and agreed to these terms in their entirety.

23. Disclaimer of Warranties & Limitation of Liability

ARMHEX makes no guarantees, representations, warranties, express, or implied that the ARMHEX website, its content, services, features, or functionalities will be error-free,

uninterrupted, and secure, or that any defects will be corrected. Your use of the website and all related services is entirely at your own risk.

The website and all content are provided on an "AS-IS" and "AS-AVAILABLE" basis without any warranties of any kind. ARMHEX does not guarantee that:

(a)The website or its content will always be accurate, reliable, complete, or up to date.

(b)Any files, documents, software, or data downloaded from the website will be free of viruses, malware, or other harmful components.

(c)The website will meet your specific expectations, requirements, or intended results.

ARMHEX shall not be held liable for any damages, losses, claims, or liabilities arising from or related to:

(a)The use, inability to use, or performance of the website or its content.

(b)Any acts, omissions, or misconduct of third parties, including but not limited to external service providers, vendors, or linked websites.

(c)Any direct, indirect, incidental, punitive, or consequential damages, including but not limited to loss of profits, data corruption, business disruption, or reputational harm.

By using the ARMHEX website or any Services, you assume full responsibility for your repairs, responsibility to your customer, interactions, transactions, and reliance on the provided content. Your sole and exclusive remedy for dissatisfaction with the website, its content, or services is to immediately discontinue use. This limitation of liability is a fundamental part of the agreement between the parties.

The above disclaimer applies to any damages, liability, or injuries caused by any failure of performance, service, data process, ECU repair at ARMHEX office, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft, destruction of, or unauthorized access to, alteration of, or use, whether due to breach of contract, tort, negligence, or any other cause of action.

24. Special Disclaimer of Warranties & Limitation of Liability for All Services and ECU Repairs

24.1 Airbag ECU Repair and Crash Data Reset Services

Given that ARMHEX has no direct presence, involvement, oversight mechanisms, monitoring systems regarding the airbag module, the crashed data file, uploaded data accuracy, completeness, internal errors within the airbag ECU, completeness, quality, compatibility, regulatory compliance, control over the diagnostic procedure performed on the car by the repair centers or by the vehicle owners, ARMHEX expressly disclaims all legal responsibility whether direct or indirect with any issues, malfunctions, or damages related to the ECUs that are sent to the ARMHEX office for repairing or the files downloaded by users from any of ARMHEX websites (, www.airbagresetonline.com) and platforms, including but not limited to WhatsApp, Telegram, or Email for the airbag crash data reset and repair purposes.

ARMHEX shall not, under any circumstances, be held directly or indirectly liable for any consequences arising from the use of its services, including but not limited to airbag system failure, airbags or seatbelts proper deployment, or malfunction at the time of an accident, bodily injury, loss of life, property damage, or any issues occurring during the repair or reinstallation of the airbag system.

It is solely the responsibility of the workshop, repair shop, body shop, vehicle owner, and technician to ensure adherence to all necessary safety measures, compliance standards, and verification of the accuracy and completeness of the airbag system, components, sensors, and circuits. Additionally, users must be aware that certain jurisdictions prohibit the repair of airbag modules post-accident or require specific permits from designated regulatory bodies. The responsibility for compliance with such legal requirements rests entirely with the repair technician, car owner, or service provider and not ARMHEX.

By using ARMHEX services, the user expressly acknowledges and agrees to assume all risks and liabilities associated with the use of the airbag crash data reset system, repaired ECUs by ARMHEX, and modified files (Cleared Files) holding ARMHEX harmless from any claims, losses, damages, or legal actions that may arise.

24.2 Odometer, Mileage, and Working Hours Correction Services

Mileage correction services are provided exclusively for legitimate and lawful purposes. By utilizing ARMHEX services online, or any kind of posting for repair or adjustment, you confirm that you understand and comply with all applicable laws and regulations regarding odometer and hours adjustments in your jurisdiction.

Using ARMHEX Automotive Odometer Correction services, customers acknowledge that Odometer Correction may impact vehicle warranties, insurance coverage, and compliance with local, state, and federal regulations. Odometer Correction services should only be utilized where legally permitted.

The customer is responsible for ensuring compliance with local laws and regulations regarding odometer Correction services and verifying that their vehicle remains compliant with all applicable emissions, safety, and roadworthiness laws.

Legitimate Uses of Mileage Correction

Mileage correction may be necessary for the following reasons:

(a) Odometer Malfunction: Fixing incorrect readings caused by hardware or software errors.

(b) Instrument Cluster Replacement: Adjusting mileage to match the vehicle's true (real, correct) distance or mileage after replacing the odometer or dashboard.

(c) Accidental Reset: Restoring mileage after inadvertent changes due to electrical repairs or software updates.

(d) Custom Vehicle Builds or Restorations: Calibrating the odometer in rebuilt or restored vehicles to reflect accurate historical usage.

These scenarios require transparency, proper documentation, and adherence to local laws.

Illegal Usage of Mileage Correction Services

Fraudulent usage of mileage correction is strictly prohibited and can have severe legal consequences. Illegal purposes include, but are not limited to:

(a) Reducing Mileage for Resale: Lowering the odometer reading to make the vehicle appear less used and increase its market value.
(b) Avoiding Lease or Warranty Penalties: Misrepresenting mileage to evade fees or maintain warranty coverage.
(c) Falsifying Maintenance Records: Altering mileage to provide a false maintenance history.

Legal Consequences of Misuse

Engaging in fraudulent mileage correction can result in:

(a) Criminal Charges: Odometer tampering is illegal in many jurisdictions, often classified as fraud.
(b) Heavy Fines: Penalties can include significant financial fines for tampering with or misrepresenting mileage.
(c) Imprisonment: Serious cases of odometer fraud may lead to criminal prosecution and jail time.

(d) Civil Liability: You may be sued by buyers, lessees, or other affected parties for damages caused by fraudulent actions.
(e) Vehicle Blacklisting: Vehicles with tampered odometers may lose value and be flagged in vehicle history reports.

Customer Agreement

By using ARMHEX services, you acknowledge the following:

(a) You are the rightful owner or authorized representative of the vehicle in question.

(b) You will use mileage correction solely for lawful and legitimate purposes.

(c) You assume full responsibility for disclosing any mileage corrections to all relevant parties, including potential buyers, insurers, and regulatory authorities.

(d)You understand and accept that we are not responsible for any misuse of the corrected mileage or resulting legal consequences.

Transparency Is Key

We strongly advise all customers to document and disclose any mileage corrections to maintain trust, comply with the law, and avoid any future disputes or penalties. Always consult local laws to ensure your actions are lawful.

This disclaimer is designed to protect both the service provider and the customer by ensuring full transparency and compliance with legal requirements. Misuse of this service for unlawful purposes is not supported or condoned under any circumstances.

ARMHEX Automotive assumes no responsibility for any legal, mechanical, health, injuries, or financial consequences arising from odometer Correction services. These services are intended solely for legal usage, educational, off-road, racing, or diagnostic purposes where permitted by law. Please consult your local laws and regulations before proceeding with these modifications.

24.3 Steering Angle Sensor Reset/Calibration

By using ARMHEX Automotive Steering Angle Sensor (SAS) Reset services, customers acknowledge that SAS Reset may impact vehicle safety, controllability, warranties, insurance coverage, and compliance with local, state, and federal regulations.

SAS Reset services should only be utilized where legally permitted. Due to safety, and emissions regulations, these modifications may not be legal in all regions or countries.

The customer is responsible for ensuring compliance with local laws and regulations regarding SAS Reset services and verifying that their vehicle remains compliant with all applicable emissions, safety, and roadworthiness laws. Please consult your local laws and regulations before proceeding with these modifications.

ARMHEX Automotive assumes no responsibility for any legal, mechanical, health, or financial consequences arising from SAS Reset services. These services are exclusively intended for off-road, racing, educational, or diagnostic use, where legally permitted.

24.4 Battery Management System or ECU (BMS)(MVBM)

By using ARMHEX Automotive BMS Reset / Repair services, customers acknowledge that BMS Reset may impact vehicle safety, warranties, insurance coverage, and compliance with local, state, and federal regulations.

BMS Reset services should only be utilized where legally permitted. Due to safety and emissions regulations, these modifications may not be legal in all regions.

The customer is responsible for ensuring compliance with local laws and regulations regarding BMS Reset services and verifying that their vehicle remains compliant with all applicable emissions, safety, and roadworthiness laws. Please consult your local laws and regulations before proceeding with these modifications.

ARMHEX Automotive assumes no responsibility for any legal, mechanical, health, or financial consequences arising from BMS Reset services. These services are exclusively intended for off-road, racing, educational, or diagnostic use, where legally permitted.

24.5 Immo-Off

By using ARMHEX Automotive Immo Off, Immo Delete, Immo Bypass, Immo Killer, Immo Disable, Immo removal services, or any of our services that remove the immobilizer system, customers acknowledge that removing the immobilizer system may affect vehicle safety, guarantee, insurance, and compliance with local, state, and federal regulations.

Immo Off should only be used where legally permitted. Depending on your location, disabling the immobilizer could impact your vehicle’s theft protection and emissions compliance.

ARMHEX Automotive provides this service for off-road and racing vehicles, tuners, and mechanics to diagnose and repair malfunctioning immobilizers or in cases where the immobilizer cannot be repaired or replaced.

It is the customer's responsibility to ensure compliance with local laws and regulations regarding immobilizer and emissions systems and that their vehicle remains compliant with all applicable laws regarding emissions, safety, and roadworthiness.

ARMHEX Automotive assumes no responsibility for legal, mechanical, health, or financial consequences arising from Immo removal services. This service is only intended for off-road, racing, educational, or diagnostic purposes where the law permits.

25. Changes in Terms and Conditions

We reserve the exclusive right, at our sole discretion, to amend, update, or replace these Terms at any time. You will be notified of changes before they take effect. The changes will be communicated via email or the website. The history of the changes in the terms and conditions is available on this page: www.airbagresetonline.com/terms-and-conditions-history
